Personal Information Collection and Usage Agreement

The Office of International Affairs at Gyeonggi University of Science and Technology values the protection and privacy of the applicant's personal information in accordance with the Personal Information Protection Act or its related regulation. Please carefully read the lines below and sign your own autograph:

1. The purpose of collection and its use

Personal information contained in an applicant's sponsor is collected for purpose of verifying an applicant's identity, application status, visa process as well as providing the additional services about school life, information of job employment, etc., while he/she is studying at Gyeonggi University of Science and Technology.

2. Items of personal information collection

(Required) Name in passport, Passport Number, Date of birth, Nationality, Permanent address, Telephone number including mobile phone number, Parent's name, Parent's nationality, Parent's date of birth, Parent's occupation, Parent's contact number, Emergency contact number, Academic background and records, E-mail/Facebook address.

3. Period of maintenance and usage

Collected personal information will be securely kept only for 5 years and used solely for the purpose written above. If not used for 5 years, it will be discarded.

4. Refusal right and disadvantage of refusal

The applicant has the right to refuse the collection and use of personal information mentioned above. However, he or she may have the disadvantage of not receiving an important notice from Gyeonggi University of Science and Technology or may even be considered not to agree on application or admission for Gyeonggi University of Science and Technology.

Do you agree with Provision of Personal Information to third parties? Plan whether or not you agree with the provision of personal information to third parties. Applicant may get limited access to some admission processes if disagrees.

☐ Agree

☐ Disagree

I fully understand the contents written above and agree that Gyeonggi University of Science and Technology shall collect and use my personal information in accordance with the Personal Information Protection Act and its related regulations.
